## Royal Canadian College Accessibility Plan

Royal Canadian College is a Prescribed Organization under the BC Accessibility Act (2021) and is therefore required to form an Accessibility Plan. Royal Canadian College will meet the three requirements of act, as outlined on the Accessibility BC website (<https://bcaccessibilityhub.ca/>), in the following manner.

1. **Committee:** Royal Canadian College is using the committee formed by the Associate Member Society of FISABC, of which we are a member, to meet this requirement of the Act. At the school level, the school senior administrative group will be involved in dealing with accessibility matters.
2. **Plan:** Royal Canadian College will take the following steps in the 2023-2024 school year
  - a) We will conduct an initial assessment of the level of accessibility in our campus grounds and facilities to identify strengths and needs. This will be completed by February 1, 2024.
  - b) We will meet the requirements of the Accessibility Act by formulating this plan and posting it on our school website.
3. **Feedback:** Any person with feedback on accessibility at Royal Canadian College is welcome to email the principal, Mr. Brian Kung, at [info@royalcanadiancollege.com](mailto:info@royalcanadiancollege.com), or call (604) 738-2221.
